December 2015

Year 6 girls science trip to the BASF kids lab

Mrs Naqvi said, "The girls have had a fantastic opportunity to be involved in three experiments. What worked best was giving them the opportunity to think how to solve a real life problem and how science is all around us and the impact it has on their everyday life.

What the children thought: "I enjoyed learning about worms because it was fun and amazing"
"The best thing was fixing the circuits with the different coloured wires"

"I learnt that things that make us warm can keep liquids cold. I like the heat experiment the most and I also really enjoyed all the experiments."

"I enjoyed doing the experiments and looking at the factory"

Year 5 trip to Magna Science Museum

Year 5 enjoyed themselves on their trip to the Magna Science museum, finding out how exciting science can be.

Sania (5M) "My favourite place was the water room. We had a go with a water gun and also there was a decorated wall which when you touched it was made out of water"

Zeeshan (5M) "I liked the air pavilion, but my best bit of the trip was the water gun"

Abir (5M) "I liked the fire tornado which went really high. It was a bit smelly. Also there was a good adventure playground"

Remembrance Day

Next time you are in school take time to see the Remembrance Day display in the corridor. All of the children in school made poppies while they were learning about remembrance day.

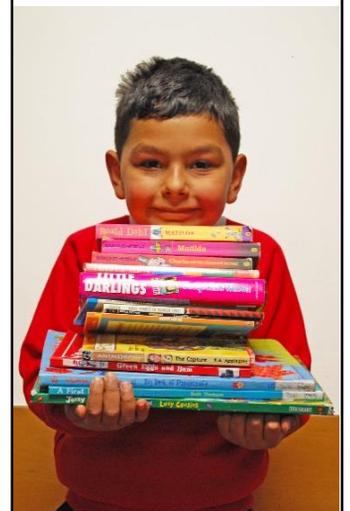

These poppies have then been used to surround the display of their work and the whole effect is fabulous.

Book Fair

The book fair was very well supported this time round.

A big Thank you to all the parents who came in to see us and bought books for their children and to Mr Dennison for running the fair every evening after school.

We made £602, which means we can spend a fantastic £301 on books for our library.

PE & Sports

Year 4 children continue to take swimming lessons every week to make sure that as well as enjoying a healthy and fun leisure activity, they all learn this important life skill.

A dance company called Dance United Yorkshire has been working with our children this term. A selected group have been working on a routine which will be performed at the Bradford Alhambra on Thursday 10th December

Year 6 have been competing in Sinsbury School Games tournaments for Athletics and Football. In Athletics the children came first in their group. The football tournament is ongoing.

Why not follow our new twitter feed, [@LapageSport](https://twitter.com/LapageSport) to follow the progress of our PE and sports events.

Children in Need

For Children in Need Day the school celebrated by performing the song True Colours in sign language.

The children had been practising all week and on the day, all dressed up in different colours they performed the song over two assemblies. Both children and adults really enjoyed learning and performing the song with the sign language. The children donated money on the day and altogether they raised £565.00 for the charity.

It's Panto season

The Pantomime came to school this week. Beauty and the Beast, performed by the West Midlands Theatre Company, was enjoyed by all of the children.

Dates for your diary

Friday 11th is a non uniform day and we are asking the children to bring items for the winter fair:

Reception & Nursery: Biscuits & toys (not broken)

Year 1 & 2: Soap & Toiletries/Biscuits

Year 3 & 4: books and Soap toiletries

Year 5 & 6: Pop & drinks/toys (not broken)

The **school nurse** will be in school from 8 – 9am on the 15th December

The **Winter Fair** will be on Wednesday 16th December at 2pm. Children should be picked up from the playground entrance at 1.45. Entry to the fair is through the main school entrance. There will be no afternoon nursery on this day.

School breaks up for the **holidays** on Friday 18th December at 3pm and re-opens on Monday 4th January.

Happy Holidays
