2017

Dear Parents / Carers,

This academic year has started off really well with the children settling into their new classes and across the school everyone is working hard.

Last year's results were amazing and we are very proud of our children.

**EYFS: 80 % Year 1: Phonics 91% KS1: Reading 86%, Writing 75%, Maths 86% (Age related expectation) KS2: Reading 89%, Writing 82%, SPAG 92%, Maths 93% (Age related expectation).** This year we aim to continue to build on this success!

We have had many classes going on trips, which the children have thoroughly enjoyed and has impacted their learning back at school. Although school contributes to the children's trips, we would like to thank parents for their contributions that allow these trips to take place.

Parent's consultations will take place on the 7th and 8th of November - please sign up for an appointment with your child's class teacher in the first week back after the holidays. We aim to see all parents. If you can not attend on these days, please see the class teacher for for an alternative date/ time.

Attendance and punctuality are paramount to your children's education. Please continue to support us by bringing your child to school on time every day. Doors open at 8.30 - breakfast club starts at 8.00am.

We wish you all a restful half term and look forward to seeing you all on 30th October.

**Mrs Khan and Mrs Akhtar**

## McMillan Coffee Morning

Many thanks to everyone who made the coffee morning a great success. The amount raised from the non-uniform day was £613.76 and the amount raised from the Coffee money was £233.44 The total amount was a staggering **£847.20!**

## Nursery places

We still have some Nursery places left for this year. Ask at the reception desk if you would like to sign up your child for either the morning or afternoon session.

## Outdoor learning classroom

We have transformed one of our outside spaces into an outdoor classroom. Students can use this secure area in the school grounds to learn about the natural world and the environment around them. We are hoping to grow some fruit and veg and we have already made a bug hotel.

## Animal Agents Library Summer Reading

We are very proud to announce that two of our girls from class 2L have won the Animal Agents Library Summer Reading Challenge and were presented in assembly with Book Vouchers for Waterstones. They told us about some of the books they had borrowed such as Little Red Riding Hood and Walking Through the Jungle. Here is a picture of them during their assembly.

## Fireworks – Stay Safe

Here is a website which we would like to share with you so you can follow up on the training we do with the children in school at this time of year.

<https://www.ghengisfireworks.co.uk/firework-safety/>

## Dates for your diary:

Break up for half term on Friday 20<sup>th</sup> October and return to school Monday 30<sup>th</sup> October.

The Winter Fair will be on the 13<sup>th</sup> December.
