PE Kit

Dear Parent / Carer

It is becoming increasingly apparent that some children are not bringing the correct PE kit to school. For health, safety and hygiene reasons it is essential that every child has their own correct kit, for physical education lessons.

Your child participates in PE twice a week. If the weather is suitable they will often go outside, therefore it is essential that they have all of the correct PE kit in school every day.

The kit list for both is as follows:

- * Black shorts or black leggings or black tracksuit bottoms
- * Sky blue T'shirt
- * Trainers or Black pumps
- * A suitable bag to store the kit in

PE bags and all your child's items of clothing and their uniform must be labelled with their name and class. Also, long hair must be tied back at all times and all jewellery should be removed before the lesson.

Having the correct PE kit is as important as having the correct school uniform, and without it the children cannot take part in a National Curriculum subject which, by law, has to be taught to all children.

If you are experiencing difficulties providing your child with the correct kit, please do not hesitate to contact school to discuss the matter further.

Yours faithfully,

Mr M Dennison

Leader of PE & Enrichment
