Monday 8<sup>th</sup> January 2018

Dear parents,

We are excited to announce a new programme we will be running in school, starting this week.

**Fuel for School** is an exciting campaign that highlights the importance of reducing wasted food.

Every week a huge amount of perfectly good food goes to waste from supermarkets. Fuel for School is a charity which collects this food and ensures it does not end up Landfill sites.

Fuel for School assesses all of this surplus food before sending on a weekly basis, a package of food to all schools which have joined the scheme. This food can then be used by schools in a variety of ways; market stalls for the school community, ingredients for cooking activities, rewards for children, supplement breakfast clubs.

At Lapage we are planning to hold a **weekly market stall starting on Friday 12th January at 2.45-3.15pm**, open to children and parents. Here you will be able to browse a selection from the week's food supply and purchase on a 'Pay As You Feel' basis.

To find out more about the fantastic project and our market stall, we are holding an assembly for parents on **Wednesday 10<sup>th</sup> January, starting at 9am**.

It would be great to see as many parents as possible as your support is paramount to this projects success.
