

National Curriculum Swimming Requirements

At Lapage Primary School we share the views and aspirations of Swim England that swimming is a sport that anyone and everyone can enjoy throughout their lives. We value the importance of swimming not only as a sport and valuable form of exercise but also for its importance as a life saving skill. We endeavour to ensure that all children have the best opportunity to develop their confidence and capabilities in and around water as we believe that this is vital to children's safety, health and happiness.

Children at Lapage attend swimming lessons, during year 4, at Eccleshill Swimming Pool. They attend weekly 45 minute lessons throughout the school year in separate sessions for boys and girls. Lessons are taught by Bradford Aquatics instructors and supported by teaching staff from school.

<u>2018 School Leavers</u>	41		44		85		
	Base	Girls		Boys		Total	
		#	%	#	%	#	%
