

## Home-school partnership

Take a photo or video of your child looking at their favourite story book and email to:

**Nursery @lapage.bradford.sch.uk**

Encourage your child to retell the story if they are familiar with it or encourage them to talk about what is happening in the pictures.

We will display photos sent in the Nursery classroom.

Next week we will be making musical instruments. Please send your child to school with a clean, empty bottle and lid they can use to fill up with items such as rice or lentils. Please let us know if you have sent a bottle with your child so we know who is able to make their instrument.

Thank you.
