

**Lapage Primary School – Entry Procedures – September 2021**

***Please note that in the interest of everyone's safety, children must arrive at the specified time. It is vital that children and parents are on the playground and in their line at the stated start time.***

**Entry Procedure (drop off)**

- 1) The school gates will open at 8.20am.
- 2) Parents and children are asked to line up in the appropriate class line prior to the given start time
- 3) Children will remain under the care of their parent/carer until the class teacher collects the class.
- 4) Teachers and school staff will be available to guide and support parents and children on the new procedures.

**Please prepare yourself and your child appropriately for the weather. Umbrellas and waterproof coats will almost certainly be helpful at some point due to the changeable nature of British weather.**
