

Lapage Primary School – Exit Procedures – September 2021

Please note that in the interest of everyone's safety, parents/carers must aim to arrive at the specified time. It is vital that everyone follows the current guidance and advice on social distancing.

Exit Procedure (pick up)

- 1) Parents are asked to wait on the outer edge of the school playground and wait until their child's class has gathered in their line.
- 2) Once the class is assembled in their line the class teacher will begin dismissing the children.
- 3) Children in years 1 and 2 will be collected from the classroom door indicated by a small red circle on the map.
- 4) Teachers and school staff will be available to guide and support parents and children on the new procedures.

Please prepare yourself and your child appropriately for the weather. Umbrellas and waterproof coats will almost certainly be helpful at some point due to the changeable nature of British weather.
