

Changes to the School Uniform Policy

Dear Parent/Carer

I am writing to inform you of some changes to the school uniform policy when we return in September.

There is growing evidence that the pandemic and the modern world we live in has had a negative effect on many children's health and fitness in the past few years. As a school we understand the many benefits a healthy and active lifestyle has for us all and feel that it is important that children come to school wearing clothing that enables them to participate fully in a healthy and active school day.

Therefore, in September our school uniform policy will permit and encourage children to wear plain black unbranded tracksuit bottoms and plain black unbranded trainers along side the usual school uniform items already included in the uniform policy.

This change will also mean that we will no longer ask children to change into a PE kit for PE lessons or afterschool clubs which we expect will result in more time for physical activity, learning and fun during these sessions.

Yours Faithfully

Mr M Dennison
