

Notes to remember about Year 5

Monday is swimming so please remember to bring your swimming kits each week.

Homework will go home every Friday to be returned by the next Thursday.

Every Thursday is PE - children should wear appropriate, active school uniform.

Industrial Museum

This half term we will visit Bradford Industrial Museum to experience Victorian life.

PSHE: Identity

This half term we will be learning about:

- Making the right choices
- Balanced diet and how to keep healthy
- Images represented in media about people
- Identity in class and focus on the similarities and differences

Writing

This half term in our 'Writing' lessons we will be learning:

- To create a space transmission communicating back to planet Earth from Mars.
- To read 'The Highwayman' and write a brief narrative poem.

RE: Special Places

This half term we will be learning about:

- The significance of the place of Jerusalem for a number of religions.

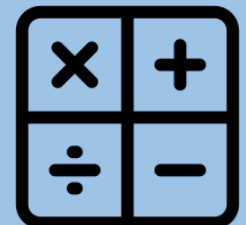

Maths

Millions	Hundred Thousands	Ten Thousands	Thousands	Hundreds	Tens	Ones
----------	-------------------	---------------	-----------	----------	------	------

This half term in our 'Maths' lessons we will be learning:

- Continue to develop written methods of calculation.
- To understand how to retrieve data presented in different ways.
- Review our knowledge of multiplication and division.

Reading

This half term we will:

- Be reading *Street Child* by Berlie Doherty.
- We will explore the changes that happen to the characters in the story, comparing and contrasting.

This will link this book to our favourite authors and explore children's favourite books and authors in class library time.

You can help at home by reading every evening with your child and asking questions. You could also ask them to write their answer in a sentence.

Topic: The Victorians

This half term we will be:

- Learning about the Victorian era through..

- Exploring the industrial revolution and what happened at this time.
- Learning how Bradford changed during the Victorian era.
- Researching information about Bradford by looking at Titus Salt, population and employment data and maps.

Science: Earth and Space

This half term we will be:

- Continuing our learning about the planets in our solar system.
- Exploring how understanding of planets and stars have changed throughout history.

DT

This half term we will be:

Designing and making simple cam toys.
